

### Use These Activities to Relax, Chill & Take a Break!

Everyone faces challenging times at some point, including young people like yourself. You might be stressed out from schoolwork, going through tough times with a friend or family member or just feeling overwhelmed by a crazy, busy schedule. Having materials or resources to help you cope with those challenging times can make all the difference on how you are able to deal with them. That is the main reason we at the Community Coalition for Family Wellness brings you this activity book.

A big part of our mission is to promote the overall health and wellbeing of everyone in our communities, especially kids. The book is full of activities designed to help you "Relax, Chill and Take a Break." Hopefully, in addition to being fun and relaxing, this activity book will help you learn a little about living healthy and also provide you with some resources to help you deal with challenges like stress, anxiety or other pressures.

We hope these activities will help you Relax, Chill, and Take a Break and feel confident to face any challenges that you come across. *Enjoy*!
